HOPE

for Veterinary Health Care Workers:

*A CE Event to Benefit
Not One More Vet*

Purpose & Demographics

HOPE for Veterinary Health Care Workers is a one day CE event for Washington state veterinarians and technicians. All proceeds will be donated to Not One More Vet (NOMV).

Last year, a similar event hosted by HVOS raised over \$8000 for The Kitsap Humane Society and hosted over 70 attendees. This year we're striving to triple both those numbers by holding the event in a more centralised location and marketing much earlier.

We've chosen NOMV this year because many veterinary professionals are in crisis. NOMV provides the necessary support to all members of veterinary teams who are struggling or considering suicide.
